## **Extended referral period for the Code**

**The Swedish Corporate Governance Board has extended the period for comments on possible changes to the Swedish Corporate Governance Code until 15 December 2013.**

After roundtable discussions with around 40 users, the Board has collected a number of views on application of the Code. The Board has also urged those who wish to contribute comments regarding the Code to submit these by 15 November 2013.

The Board has recently received several requests to extend this referral period and has therefore postponed the closing date to 15 December 2013.

The conclusions of the Board's deliberations following the roundtable discussions and the comments submitted will be reported at a high level symposium. This was originally planned for early December, but will now take place on 10 February 2014.
